Leapin' Lizards! An Extra Sunday Matinee Performance of Annie has been added due to record advance ticket sales!

Due to popular demand Saint John Theatre Company has added a fifth performance to its Main Stage opener at Imperial Theatre this November

SAINT JOHN – with rehearsals in full swing, a perfect pooch picked, and an energetic and talented cast and crew a buzz behind the scenes, preparations are well underway to deliver a thrilling performance next month as SJTC launches its 2013-2014 Main Stage season with the beloved and entertaining musical *Annie*.

Due to the high volume of ticket sales for this production to date, the SJTC has decided to add an additional matinee performance on Sunday, November 17th. Tickets for this bonus performance go on sale today at Imperial Theatre box office.

“When the company chose to present Annie as our large community work for this season, we knew it would be popular. However, we were unprepared for just how intensely the community would embrace this show,” add Stephen Tobias, Artistic Director, SJTC. *“The audience for Annie is continuing to grow substantially which will give the Saint John Theatre Company a much needed boost after two years of reduced box office.”*

Annie will run from November 14-17, 2013 at Imperial Theatre. To purchase tickets please call the box office at 506-674-4100.

Saint John Theatre Company would like to thank our Season Patron BMO Financial Group, our Main Stage Series Sponsor Canaport LNG, the Province of New Brunswick, the City of Saint John and our Education & Community Outreach partners TD Canada Trust and TELUS for their continuous support of the SJTC Main Stage Season.
