*“Each year, I’m blow away by the talent and ingenuity of the performers in the Fundy Fringe Festival,”* adds Sarah. *“Last year, we were able to increase both our number of applications and audience numbers. We’re looking forward to continuing this trend of growth, and continuing to improve the festival experience for both audience and artists.”*

The festival will be open to local, provincial and national performing arts companies and will take place August 19-23, 2015. FRINGE festivals typically include original, edgier material, small casts, non-traditional venues, simple tech and staging, and quick set up and tear down.

Each festival follows a series of basic guidelines which can include low admission prices, selection of participants by lottery, no censorship, shorter performances, and 100% of the ticket revenue going to the performing companies. Performers are encouraged to submit an application. **The deadline for 2015 Fundy FRINGE applications is Friday April 10<sup>th</sup>, 2015.**

There is a \$25 application fee. Selected participants will be charged a \$250 fee to cover production fees and promotional listings. The chosen performers will be notified on April 11<sup>th</sup> and will have until May 1<sup>st</sup>, 2015 to confirm their acceptance.
