More Rocky Horror Halloween Fun To Come!

Saint John Theatre Company Makes Adjustments to its 2012-2013 Main Stage Season to squeeze in a special Rocky Horror concert fundraiser

SAINT JOHN – In May of 2012 Saint John Theatre Company announced its fabulous 2012-2013 main stage season line-up; a great blend of musical thrills, cutting edge comedy and a literary legend. Some adjustments have been made to the order of the line-up to make room for a special Halloween Rocky Horror concert on October 31st at Imperial Theatre.

Cast and crew from last season's hit opener *The Rocky Horror Show* will unite on the creepiest night of the year to put on a special Rocky Horror concert featuring all of the legendary tunes from the hit musical. Audience members are encouraged to dress up for a night of musical thrills, chills and lingerie. Tickets are on sale now at Imperial Theatre box office.

"The response – from all audience groups - that Rocky Horror generated for us last year was unprecedented. We are really excited at the thought of re-visiting this material in a concert format to share the amazing Rocky Horror music with our audience one more time. Halloween is a perfect time for Rocky Horror – the cast and musicians are ready to rock out – and the early feedback from our audience is that this is going to be a spectacularly wild night. Being Halloween and all – we are encouraging people to dress up. There will be prizes for best costume – a Time Warp contest – and many other treats and surprises."

The main stage show selections remain unchanged, however the placement of *Sweeney Todd*, originally scheduled for November, will be moved to March while *God of Carnage* will launch the company's Main Stage season in November. The Season will wrap up in May with the timeless masterpiece *1984*. This adjustment will allow the company time to properly prepare for the Rocky Horror Concert as well as the larger than life musical thriller *Sweeney Todd*.

"Sweeney Todd is an amazing show with really complex music. Like Cabaret and Rocky Horror, it is another one of those shows that I have been close to for many years. With the addition of The Rocky Horror Concert to our line-up, it became clear to me that it would place unreasonable demands on our production teams to produce these two special musical events within three weeks of each other. Changing the order of our season line-up ensures that we will be able to guarantee our audience that we will be able to deliver the same high production standards that we have brought to our past musicals."

Single tickets for *God of Carnage*, *Sweeney Todd*, or *1984* will go on sale September 4th at Imperial Theatre box office (506)-674-4100. Tickets for *The Rocky Horror Concert* will go on sale at Imperial Theatre box office on September 17th.
