Riverview Arts Centre Added to SJTC Tour

Saint John Theatre Company proud to present *The Glass Menagerie* at RAC

SAINT JOHN – plans are underway for the presentation of the timeless memory play *The Glass Menagerie* next month. The company is thrilled to work with the Riverview Arts Centre and have added them as a touring destination for their October production of the Tennessee Williams' classic.

The Riverview Arts Centre is a valuable resource for the Greater Moncton region, offering a diverse line-up of live theatre and music to the community.

"We at the SJTC are all very excited to be included in the Riverview Arts Center season of events. Over the past few seasons as we have continued to expand our touring networks, it has become clear that there is a strong desire among theatre audiences to enjoy theatre established classic theatre-works. We are excited to add Riverview to the growing list of communities served by our organization," adds Stephen Tobias, Executive Director of the SJTC. *"As a major provider of theatre for Southern New Brunswick, we are looking forward to working with the team at the RAC to help develop theatre audiences in the community of Riverview."*

An evening performance (October 28) as well as a free student performance (October 30) of *The Glass Menagerie* will be offered at the Riverview Arts Centre. For information please visit: www.riverviewartscentre.ca or call 506-852-6059.
